

## Junior Program Policies

Fairfax Racquet Club's Junior Program is 36 weeks of professional tennis instruction beginning in September and ending in June. Open enrollment for new students with prorated tuition is offered from the time of enrollment.

Early enrollment and multiple class discounts are available. See applications for details.

If tuition is not paid in full at the time of registration, an initial installment will be collected at the time of registration. The balance will be billed to the student's club account in three installments, due October 31<sup>st</sup>, December 31<sup>st</sup> and February 28<sup>th</sup>.

***Your credit card will not be charged automatically.***

*All balances which are 30 days past due are subject to a 1.5% monthly service fee. The annual rate is 18%.*

New students may try out FRC's Junior Program with no obligation. If the child subsequently enrolls in a class, the tuition is prorated to include the tryout date.

As a courtesy to current students in the Junior Program we allow make-ups for missed classes. Players may attend an alternate day in the same level (or lower) and ball color currently enrolled. Make-ups expire at the end of the program year or upon withdrawal from class. ***We do not offer refunds for missed tennis classes and withdrawal from class enrollment will result in forfeiture of any remaining make-up classes.***

Please note that students are supervised only while on court during class and are not supervised off court, before or after their class.

*Fairfax Racquet Club retains the right to assign, shift, postpone or cancel classes as necessary.*

If you have questions or wish to enroll by phone, please contact Member Services at 703-273-9276 or [memberservices@fairfaxracquetclub.com](mailto:memberservices@fairfaxracquetclub.com)

Championship Orange Ball (Ages 7-9) 60 ft. court

Championship Green Dot Ball (Ages 9-12)\*\*

Championship Yellow 1 (Ages 10-14)\*\*

Championship Yellow 2 (Ages 14 and Older)\*\*

To ensure appropriate player placement, enrollment in any class level other than Quick Start or Skills requires director approval. FRC reserves the right to re-assign players to an appropriate class throughout the year based on individual performance. *We want all players to be in a class best suited to their individual needs and proper class placement is an essential component.*

**Philosophy:** There are no shortcuts to success. We strongly believe in the process of development with a foundation built on sound fundamental techniques and a long term big picture in mind. We want our players to have fun from the start so that they develop a love for the game. At the same time we emphasize proper stroke mechanics and growth of general athletic skills to allow each individual to maximize their potential on the court. Given that all players develop at different rates, we believe there is no one secret to success other than putting in the time and effort to improve. In order to focus on our players and their individual needs, the FRC Junior Program follows a low compression ball progression that scales court size, racquet size, and type of ball to the age, size, and skill level of each player.

## Class Schedule 2019-2020

**September 3, 2019 - June 8, 2020**

### **There will be no classes:**

Nov 26 - Dec 1 (Tues-Sun)
